

Parking Validation at Reston Town Center (RTC)

Effective January 2017, the Reston Town Center charges for parking. If Metron will be validating your parking, at least two days prior to your visit, please provide the following information to validate@metsci.com:

1. License plate number (including state)
2. Date(s) of visit and duration of your stay
3. Metron employee you are visiting

On the day of your visit, **you do not need to begin a parking session**. When you sign in at Metron's office, please confirm the garage/zone you parked in, and the expected duration of your visit, and we will begin your parking session for you. If your meeting runs over and you need to extend your parking session, please contact our Receptionist for assistance.

If you don't have the vehicle information prior to your visit (i.e. car rental), please park and then provide the information to our Receptionist.

Additional parking notes

When you arrive, please feel free to park in any of the above ground parking garages. The orange and blue garages are closest to our entrance. Please "pull-in" to the parking spot instead of backing in. This will help prevent any space monitoring confusion which could result in a ticket.

Government clients: Rates vary from \$2.00 for over 1 hour up to \$8.00 for an 8 hour period. Parking is free after 5pm.

Parking validation subject to Metron Division Manager approval.
